Show your color slides—automatically!

A touch of your finger does it! Just push the handle—the Argus Projector automatically shows your 35 millimeter slides, in vivid, natural colors. Its precision-built optical system gives your slides amazing, true-to-life "presence" —in effect, *you are there!* Pull the handle —you automatically store the shown slide and advance the 36-slide magazine. Wide-angle, four-inch, color-corrected f:3.5 lens, and 300 watts assure big, brilliant pictures. Powerful blower keeps your slides cool. Carrying case holds enough magazines for a two-hour show.

New automatic argus 300 watt projector *only* $66.50

Complete with handy carrying case and one magazine
